- Swimmers will be asked to bring their time cards to the marshalling area as soon as their event is called. They will then be grouped into their heats in the marshalling area

- Stroke and Turn officials will be on deck, however SWIMMERS WILL NOT BE DISQUALIFIED, but will receive helpful and constructive comments regarding any rule violation that may have occurred.

ENTRIES: Swimmers may enter all four individual events as well as the relay.

COACHES: Each club must bring completed “NSWC Development Meet Card” for each swimmer by 5:15 to the Clerk of the Course. There will be one card per swimmer with all four events on that card. The cards should indicate:

- Division
- Boy/girl (B/G)

OFFICIALS: This is a great opportunity for new deck officials to work the deck. Volunteer timers will include Marlin swimmers and anyone else that would like to help out.

FACILITIES: The North Shore Winter Club pool is a 25-meter, 6 lane heated outdoor pool.

The North shore Winter Club is a private club and swimmers and their families are restricted to the pool area, Tiki Deck, and cafeteria.
