RULES:

- BCSSA Rules published April 2016 will apply, plus all rules changes as listed on the BCSSA website.

Swimmers will be seeded in the preliminaries for each event according to their entry times, regardless of their division (**See Event list for division splits - ie: 100 IM Div 1-3 & 200 IM Div 4-8**). In finals, swimmers will swim against the fastest qualifiers in their specific division within each event.
- Swimmers entered with no time will be seeded in the slowest heats. If a swimmer does not have a current time for an event, the most recent time is acceptable. **It is very important that coaches enter swimmers with a time to avoid NT entries, which will be seeded in the first heat of the multi-division event.**
