MEET FORMAT:

- False starts will be whistled and restarted only once. There will be no disqualifications for false starting.
- All heats will be swum as timed finals.
- In an effort to expedite the meet, we may be combining the boys and girls events.
- Swimmers will be asked to bring their time cards to the marshaling area as soon as their event is called. They will then be grouped into their heats in the marshaling area.
- Stroke and Turn officials will be on deck, however SWIMMERS WILL NOT BE DISQUALIFIED, but will receive helpful and constructive comments regarding any rule violation that may have occurred.

FEE: **\$15.00 per SWIMMER.**
One cheque per club can be made payable to "North Shore Winter Club". Please bring cheque to the meet and give it to the meet manager.

ENTRIES: Swimmers may enter all four individual events as well as the relay.

COACHES: Each club must bring a completed "NSWC Development Meet Card" for each swimmer by **4:30 to the Clerk of the Course.** There will be one card per swimmer with all four events on that card. The cards should indicate:

- division
- boy / girl (G/B)
- swimmer name & club (3 - letter code)
- event number for each event the swimmer is participating in

AWARDS: All swimmers will be awarded a participation ribbon.

OFFICIALS: This is a great opportunity for new deck officials to observe. There will be senior officials there to provide feedback. This is for practice only - no swimmers will be disqualified.

Each club should plan to supply volunteer timers (parents or senior swimmers).

FACILITIES: The North Shore Winter Club pool is a 25-meter, 6 lane heated outdoor pool.

The North Shore Winter Club is a private club and swimmers and their families are restricted to the pool area, Tiki Deck, and cafeteria.
